Introduction

Welcome to the library web application! In this manual I will teach you how to use it.

Tell to the library who you are

Since is the first time you use the application, you must create an user in order to retrieve and reserve its books.

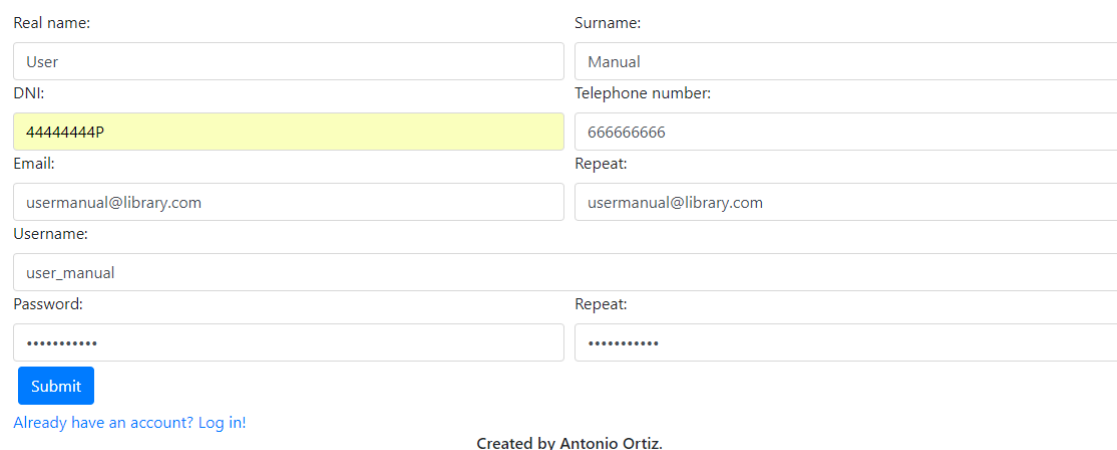

When you access the web, you will see something like this:

A registration form with two input fields: 'Your username:' and 'Your password:'. The 'Your username:' field contains the placeholder text 'Enter your username'. Below it is a small note: 'We'll never share your personal data with anyone else.' The 'Your password:' field contains the placeholder text 'Enter your password'. Below the password field is a blue 'Submit' button. At the bottom left, there is a link: 'Don't have an account? Register here!'. At the bottom right, it says 'Created by Antonio Ortiz.'

You don't have an account yet, thus you must click in "Don't have an account? Register here!"

Enter all you're the data the web asks you and click "Submit", like this
